Borrower Profile

Baladwipa Construction LLC is a mock commercial construction contractor established on January 28, 2019. The borrower performs commercial building projects and uses the operating account ending 6789 for project receipts, subcontractor payments, payroll advances, and supplier disbursements. January 2026 bank activity shows large ACH project receipts followed by wire, clearing, and cash withdrawals consistent with construction operations.

Bank Statement Cash Flow Summary

Source / Period	Total Credits	Total Debits	Ending Balance	Observation
Business Checking - Jan 1 to Jan 28, 2026	\$2,026,340.00	\$2,020,005.40	\$12,371.89	High turnover, low residual cash balance
2025 multi-bank deposits - annualized	\$19,512,552.74	\$16,654,935.67	N/A	Project receipts sufficient to support proposed line subject to assignment of receivables

Proposed Facility

Facility	Limit	Tenor	Repayment	Primary Source of Repayment
Revolving Demand Line of Credit	\$9,000,000.00	12 months	Monthly interest; bullet principal at maturity	Construction contract progress payments / receivables

Collateral

Collateral	Owner	Market Value	Liquidation Value	Lien / Security Interest
Residential real estate - Surabaya equivalent property	Bima Prasetya	\$8,685,400.00	\$6,079,780.00	First deed of trust / mortgage
Residential real estate - South Tangerang equivalent property	Raka Wiratama	\$4,356,000.00	\$3,049,200.00	Second deed of trust / mortgage
Total		\$13,041,400.00	\$9,128,980.00	Combined liquidation value exceeds proposed limit

Credit Risk Notes

Factor	Assessment
Credit bureau / tradelines	Business tradelines current; no active delinquency or restructuring.
Liquidity	Operating account shows low ending cash after large project disbursements; require controlled disbursement and borrowing-base monitoring.
Industry risk	Construction cash flow is milestone-based and concentrated in project receivables.
Mitigants	Real estate collateral, guarantors, assignment of receivables, and draw documentation.
Approval conditions	1) Perfect security interest; 2) Confirm project contract and invoices; 3) Monthly bank statement submission; 4) Insurance and tax current.
